2023 Summer College Prep and Leadership Development Program Application Form

College Prep and Leadership Development Program is a highly interactive, constructive, and fun 7-weeks project that focuses on college access, English training, critical thinking and leadership development. Participants will have opportunities to gain the highest level of competency and confidence in leadership, knowledge, and cultural skills through class, volunteer and community service projects. The programs also include activities focusing on student participants' college and career readiness such as resume writing, soft skills, campus visits, and educational and leadership field trips etc. Program activities will also promote healthy and active learning and lifestyle of the students by implementing sporting activities, cultural dances, and picnics.

Student's name
